Who are YOUNG CARERS?

Children or young people who look after, or help to look after, someone at home who has an illness or disability.

This could be a parent, brother, sister, grandparent or another relative.

- ★ Physical disability

How we can help YOU:

1:1 support: having someone you can trust to talk to

Peer support activities: having fun on events, trips and outings with other young carers who might have similar experiences to you

Drop in sessions: after school fun with other young carers

Advocacy: having someone to help you to get your point across

Individual advice and information: answering your questions
